The Campus Conference and Leisure Centre
Welwyn Garden City
Hertfordshire
AL8 6BX

Housing Law Headlines

We are delighted that Gail Sykes has agreed to do another of her legal updates for the March round of lunch and learn workshops.

Gail will update us on a range of current legal issues relevant to housing management. This will include a particular focus on anti social behaviour issues.

Attendees will have the chance to ask her questions on the day. However if you have a specific query or scenario that you would like her to cover please send details via Jayne Anderson at the CIH office so that Gail can cover it in her presentation.

Gail is a partner in Buckles Solicitors LLP of Peterborough and she is a leading on authority on ASB and housing management legal issues.

Fax back booking to 02476 695110

Or e-mail your details to regions@cih.org
